# Things to Know

## **Who should attend?**

Anyone 15 years old and older who wants to experience a “ghost hunt,” learn more about the Folly’s unique character, or anyone looking for a different way to spend a Friday evening. (*Children under 18 years of age must be accompanied by a paying adult*).

## **Do I need any “ghost hunting” experience?**

Not at all! This event is a great way to learn a bit more than what TV shows like *Ghost Hunters*, *Ghost Adventurers*, and *Paranormal State* are able to demonstrate. You’ll hear evidence collected from previous investigations, and also learn how to do it on your own! This event is catered to people who enjoy paranormal reality TV. However, paranormal investigators are welcomed and encouraged to attend.

## **I don’t have any special equipment!**

No problem! You can bring cameras, camcorders, audio recording devices, or anything else that you may have. Even pen and paper will do! If, by chance, you do have any special equipment for paranormal investigation, feel free to come and experiment. We will have some interesting equipment on hand during the event.

## **What should I expect?**

Expect to climb a lot of stairs! Körner’s Folly has 118 stairs so please wear comfortable clothing and soft-soled shoes. There will be folding chairs in some rooms, but you aren’t allowed to sit on the other furniture (it is a museum, after all). Also, there is no smoking, food, or beverages allowed in the home. There will be short breaks. Please eat a light snack before arriving.

There is strong evidence that something ghostly resides at Körner’s Folly. However, we cannot promise that you will see/hear/feel any spirits during the event. Then again...you may!

## **Who is leading this ghost hunt?**

There will be a few representatives from local paranormal investigative groups on hand to take you through the property and share some insights. You’ll also listen to a short lecture from seasoned investigators.

## **One final thing...**

All proceeds go to Körner’s Folly Operation Restoration. So, you not only get to have a hauntingly good time, but your participation also actively promotes the site’s restoration efforts.
